Midori Hamada's Catch 22

READ MORE: [ANIMATION](#), [MUSIC VIDEO](#)

Here's quick and fun [Martin Glenn](#) promo for [Midori Hamada's Catch 22](#), in which vocal duties are swapped with the only thing more cute than Midori herself, a little stop-motion Kubrick style Midori figure. The cut and paste style of the clip fits the music perfectly.

[Catch 22](#) [BrothersGlenn]

welcome

Screenhead is an online review of funny shit. Gross Photoshop humor, idiotic Flash animations, laughable Japanese commercials—updated twelve times a day.
